Seseh Villa presents itself as an enchanting blend of traditional thatch and timber that encloses a superbly tasteful modern interior. But that's not all, views from this large villa come with both rural and ocean aspects. First impressions here are simply captivating.

Overlooking the Indian Ocean from its site in the peaceful rural village of Seseh on Bali's southwest coast, Seseh Beach Villa has been well planned with its five bed rooms to accommodate up to 10 guests. The two master suites complete with their own indoor and outdoor showers along with rooftop soaking tubs, are located on the second floor with spectacular sea views and their own breezy balconies. The two guestrooms sit at the front of the main building on the ground floor, a third guestroom is close to the rear of the ground floor and is well suited for children.

A contingent of well-trained staff under the villa manager is on hand to provide butler services, gardening and security. Baby sitters and masseuses are available on request.

Seseh Beach Villa features a 16.5 x 5-metre swimming pool headed by a lounge pavilion capable of seating 12 for poolside dining. The rooftop deck provides a great platform for evening drinks through sunsets and balmy nights.

Seseh Beach Villa is well placed to expose guests to some of Bali's best natural beauty from its opulent base. This is the villa that provides holidays that guests want to return to.
