

FRV Bali - Seseh Beach Villa

Edition 12.3 Dec – Feb 2016

Two in one beachfront

Overlooking a near-deserted beach and the turquoise waters of the Indian Ocean, the contemporary-styled Seseh Beach Villas offer guests the opportunity to witness traditional rural life in the pretty fishing village of Seseh, while enjoying sophisticated facilities, divine meals prepared by the villas' talented chef, and the services of a team of caring staff including a complimentary car and driver. The perfectly symmetrical thatch-roofed Seseh Beach Villa I comprises a pair of two-storey buildings, with a living and dining room in between, a delightful rooftop terrace, and five air-conditioned, ensuite bedrooms. Outside, a flat lawn and open-sided dining and living pavilions are situated at either end of a 16.5-metre swimming pool. The six-bedroom Seseh Beach villa II is equally charming. The villa features a private 14-metre pool with a sun deck and relaxation pavilion, indoor and outdoor dining rooms, spacious grounds and a kids' bunkroom. Together the villas offer 11 bedrooms and are ideal for large weddings and special events.
